Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fail, then other organs must fail. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within forty-eight hours after starting the Restorative treatment patients say they realize a gain. Sold by all dealers.

LOCAL GUN CLUB TO AID FARMERS

In Protecting Their Lands Against Raids by Hunters.

Announcement is made that the Clarksburg Gun Club, assisted by some other parties interested in the protection of our game, is making arrangements to effectively put a stop to the killing of quail and other game out of season, by the non-law abiding hunters. The squirrel hunting was ruined for the season by the unlawful slaughter before the law respecting hunter had a chance, and now it is reported that the killing of quail has started over a month before the season opens.

To stop this unlawful and unfair practice, which threatens the entire annihilation of the game, the Clarksburg Gun Club, aided financially by many other interested parties, intends to vigorously prosecute to the limit of the law every persons that can be found violating the game laws. In addition to appointing special spotters for every section of the county, the club expects to make suitable arrangements for information leading to the arrest and conviction of violators. Every farmer or other responsible party seeing such hunting out of season, should get names of hunters and send them to the Clarksburg Gun Club, which will see that they are properly prosecuted, while the name of the party giving the information will be held confidential.

The quail season does not open until the first day of November, and persons killing or pursuing with intent to kill or catch before that date, or after the 20th day of December, violate the law, and the least fine in every case is \$25, and a jail sentence may be added. The same fine applies to the killing of rabbits, and other game out of season.

The action of the Gun Club in taking this matter up is commendable and should have the hearty support and co-operation of every person interested in fair sport and the proper protection of our game.

A GOOD REASON

Clarksburg People Can Tell You Why It Is So.

Doan's Kidney Pills cure the cause of disease and that is why the cures are always lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache, headache and distressing kidney and urinary complaints. Clarksburg people testify to permanent cures.

B. P. Griffin, living at 134 W. Pike street, Clarksburg, W. Va., says: "About three years ago my back commenced to give me a great deal of trouble. It ached during the day and at night would be very lame and sore. I suffered for a long while without getting relief until I saw Doan's Kidney Pills advertised. I procured a box at Wells & Haymaker's drug store and used them as directed. The steady pain soon left me and I have not felt it since. My wife also used Doan's Kidney Pills for kidney trouble and backache and the results were just as satisfactory in her case."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
